Los Angeles Charter and Administrative Code

Sec. 22.322. Board of Public Works — Control Over Construction, Maintenance and Design of Public Work or Improvement.

The Board of Public Works shall have charge, superintendence and control, except as otherwise specifically provided in the Charter:

Of the construction and maintenance of all real property acquired for the purpose of constructing sewers, streets, avenues, alleys, lanes, boulevards, crossings, courts, bridges, viaducts, subways, tunnels and other subterranean avenues for travel, other real property as enumerated in Chapter 21, Article 1.5, Section 22.500.2 of the Administrative Code and other places and property enumerated in Section 580 of the Charter, except maintenance of buildings, shops, yards and other such structures under the jurisdiction of the Department of General Services;

Of all work and improvement in, on, over or under all such streets, places and property;

Of trees, plants, shrubs and lawns in parkways along public streets; subject to street improvements authorized by the City;

And of the cleaning, sprinkling and lighting of all public ways, streets, avenues, boulevards, alleys, lanes, places and courts; of the design and construction of all public works and improvements belonging to the City; of the disposal of garbage, sewage and street refuse; and all excavations in public streets or other ways of travel herein mentioned (subject to ordinances regulating the same).

SECTION HISTORY

Based on Charter, Sec. 234.

Amended by: 5th unnumbered para., Ord. No. 152,427, Eff. 6-29-79; Ord. No. 171,735, Eff. 10-23-97; Ord. No. 173,258, Eff. 6-23-00, Oper. 7-1-00.
